A vibrant, stylized illustration. Two hands, one dark-skinned and one light-skinned, are shown clinking two golden beer mugs. The mugs are filled with beer and have thick, white foam overflowing from the tops. The background is composed of numerous diagonal stripes in a variety of colors including blue, purple, yellow, and orange, creating a rainbow effect. A red banner with a white border is draped across the middle of the image, featuring the hashtag '#OpenToAll' in white, bold, sans-serif text.

About this Charter:

This Charter has been developed with the help of the BBPA's members and with advice and support from third-party experts

This Charter looks to enact real, long-term change on diversity and inclusion. We are aware that each signatory will be at a different stage in their diversity and inclusion journey, but this Charter seeks to ensure a sector-wide commitment from the beer and pub industry to being diverse and inclusive. It is a broad guide which each signatory can use to develop their own organisational actions and targets to track progress on diversity and inclusion.

The BBPA is committed to ensuring diversity and inclusion remains an important issue for our sector and will ensure this Charter is a living document that is discussed, revisited and enacted by our members as well as within our own organisation.
